

Camp Simcha and Camp Simcha Special are Chai Lifeline's flagship programs for children with cancer, blood disorders, and all forms of chronic illness. For the first time in its history, Camp Simcha will run day camps in cities across the United States, giving children who are unable to travel the opportunity to enjoy Simcha in their own hometowns. In addition, two modified sessions of Camp Simcha Special will take place on Camp Simcha's beautiful 125-acre Glen Spey, NY, campus in a reduced capacity to accommodate proper social distancing and medical precautions.

Chai Lifeline is an international children's health support network providing social, emotional, and financial assistance to children with life-threatening or lifelong illnesses and their families. To learn more, visit [www.chailifeline.org](http://www.chailifeline.org).
