Ohev Yisroel CLOSED until further notice

As has been advised by local health authorities, Ohev Yisroel is CLOSED until further noticed.

Like with other shuls around the world, this has been a very painful decision.

We should not let the fact that we are isolated and davening on our own make us forget that Hashem is with us always. We should continue to daven, do a complete teshuva and give tzeddaka, especially in this time of crisis.

We will advise when the Shul reopens.

Please stay safe

Shabbat shalom
