Coronavirus: A Prayer for Medical Scientists

G-d of wisdom,
Bless medical scientists and researchers around the world
With insight and skill, dedication and fortitude,
As they combat coronavirus,
So that their work yields knowledge and understanding,
Speedily finding a vaccine, treatments and deterrents to its spread.

Source of life,
Grant public health and government officials
The strength to act swiftly and decisively,
With compassion and understanding,
In service to humankind,
Fighting this outbreak
And the other diseases that still plague the planet,
Diseases threatening the lives of our brothers and sisters,
Nations and communities,
Young and old.

Rock of Ages,
Bring an end to disease and suffering,
So that all may know
Your compassion and Your grace.

ברוך אתה ה', רופא כל בשר, ומפליא לעשות:
Praised are You G-d, healer of flesh, maker of wonders.
