

Statesboro Primitive Baptist Church

March 14 · 🌐

We apologize for the very late notice but out of concern and care for our members/guests all services at the Statesboro Primitive Baptist Church will be cancelled for tomorrow March 15th, 2020. The governor of Georgia has issued a Public Health State of Emergency beginning today. Because of this and the concern of several members, the board of deacons agreed it would be best to cancel tomorrow's services.

The deacons and leadership will discuss more Monday morning to evaluate the situation and make other announcements as appropriate. Information will be posted on Statesboro Primitive Baptist Facebook page and the church office will be open as of now during regular office hours and you may call and get updates.
