THE CHURCH OF GOD IN CHRIST
Host a

National Government Resources Conference Call

There are government resources created to meet the growing challenges facing our churches across America affected by the COVID-19 crisis.

On **Thursday, April 9th**, we will conduct a national conference call that will focus on ways to access resources for our churches and provide support to communities we serve.

Expert presenters from the **Small Business Administration, the Department of Justice and other federal agencies** will address how the **Economic Injury Products and the Paycheck Protection Plan** will help churches, small businesses and non-profits.

There is much inaccurate information circulating and we want to ensure that you get your information directly from the source.

On this important call, we will also provide a list of COVID-19 related grant opportunities.

Once the time for the call is finalized, we will communicate with you further.

Know that we as a church will weather this storm! Even during the most trying times our churches are on the front-line providing comfort to a hurting world.

Please join us for a conference call with Senior Administration Officials on **Thursday, April 9th at 1:30 PM EDT, 12:30 PM CST, 10:30 AM PST** for updates on the COVID-19 response. Please note the time for your specific time zone.

To attend the conference call, please register using the link below. You will receive the dial-in information once you register.
