

What is leading your thought?

A leader takes us places. What is leading your thought today?

Divine Mind leads thought into harmony and peace, health and love.

Mortal mind would lead thought into despair and discouragement, fear and error of belief.

Mary Baker Eddy wrote, **“In a world of sin and sensuality hastening to a greater development of power, it is wise earnestly to consider whether it is the human mind or the divine Mind which is influencing one”**

(Science and Health, p. 82).

What is influencing your thought? That’s the leader you’ve chosen to follow for the moment.

We can choose to serve God and follow divine Mind’s leading. As Joshua wrote, **“Choose for yourselves this day whom you will serve”** ([Joshua 24:15](#)).

You can tell whether the divine Mind or the human mind is influencing your thought by the effect that you feel. If feeling fearful, stressed or vulnerable, that’s human mind effect. If finding peace, dominion, gratitude, inspiration and understanding, that’s the divine Mind at work.

Divine Mind leads directly to heaven, and away from the snares, pitfalls and shackles of a limited material view.

Divine Mind knows what’s best for you and delivers accordingly.

Divine Mind has the best answers, the best help and the most progressive paths to walk down.

Let divine Mind be your Leader. You'll end up in a good place!
