Online

While you or members your congregation may not be infected, we are all affected by the COVID-19 pandemic. It is important that church leaders understand the associated effects of this outbreak and help individuals and families cope with what is happening in our communities and world.

When we face crisis, it is critical to process our thoughts and feelings to make sense of the uncertainty around us. **ReachGlobal Crisis Response** ([//www.efca.org/ministries/reachglobal/crisis-response](https://www.efca.org/ministries/reachglobal/crisis-response)) is offering church leaders online, interactive equipping on “trauma care basics.” This entry-level training will prepare church leaders and members to help others to make sense of their experiences and associated feelings.
