For the past 17 years, Leket Israel- the National Food Bank has been at the forefront of rescuing excess food from farms, packing houses, hotels, caterers and army bases for weekly distribution to 175,000+ people in need from all sectors of Israel society.

Responding to the increase in need due to COVID-19, Leket has intensified its activities and delivered 1,800,000 hot meals and 14,000 tons (30.9 million lbs.) of fresh produce to people at risk through its network of 230 non-profit partners and municipal welfare agencies.

To provide hot meals  
for Israelis in need
