A MESSAGE FROM

Dear Members and Friends

We would like to update you on plans that are being put in place: Consistory has been working on a plan to get us through the remainder of hours of consideration of all factors known and unknown such as return and even further consideration of a plan that will lead us into the future by consistory.

Effective June 1st Pastor Anabel has accepted a transitional position for the remainder of this pandemic and back into active church as we move forward. This unfortunately will eliminate the other associated paid Staff Positions: Leah's position, Pastor Diane's position, and Pastor Karin's interim service to Wisdom's Table. A special service will be announced to you by May 31st. They are encouraged to remain active in the congregational relationships we have established.

We invite everyone to continue to support one another and the church to join in on Sunday ZOOM services at 11:00. After each worship service we will be sharing stories of journeys during the pandemic.

This week we will hold a brief townhall meeting to entertain questions and Praise be to God as we move forward together!

Blessings from your Consistory

A task force team has been established and will update you as to the protocols and who can enter the building as Lancaster County moves into the yellow phase.
