Why guess, when we have clear instructions?

“Write a Sefer Torah Collectively, and Save yourselves from the Plague”. **These are the instructions that the Holy Baal Shem Tov זי"ע** instructed the residents of Mezibuz to do when a plague broke out in their city.

We no longer have to guess, let’s follow his guidance, let Klal Yisroel come

together to write a Sefer Torah and save the world from this devastating virus,
which has shattered so many families already.

Let's come together to thank hashem with a gift, let's give him a **Crown** - a כתר
תורה , in return he'll spare us from the wrath of **Corona**.

**You now have this opportunity to join Klal Yisroel and participate in the
writing of a new Sefer Torah for just \$1.00 per letter.**

Click on this link <https://dryveup.com/tyh> to buy a letter for every member of
your family, you can add some more for other loved ones, and save yourselves
and the world from this pandemic.

May we all be זוכה to the assurance of הנביא : **At that time, your
people will be rescued, all who are found inscribed in the book.** – Daniel
