Fighting COVID19 with Masks!

Be Safe: Wear Your Mask!

Everybody's Wearing One. You Should Too!

Dear All,

Chicken knows: everyone should be wearing masks, so she is in a Stylish Stars mask!

The Governor of New York and Mayor De Blasio have declared that all New Yorkers must be wearing masks when going out in public. Even if you don't live in New York, this is a good idea. I am guessing that we will be dealing with

COVID19 for many months to come. It may be that if we want to attend High Holy Day services, we will need to be wearing masks, and we may be sitting spaced in every other row.

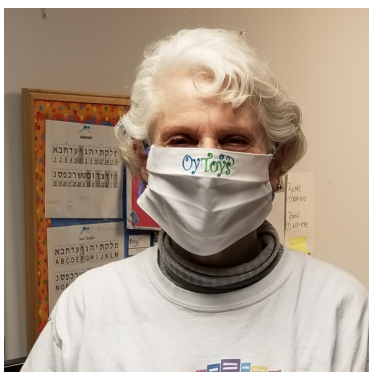

Oy Toys wants to help you in this effort. You may have already noticed that we had masks in matzah and frog patterns for Passover. They are still available. We now also have plain white ones as well. Personalize your mask with name or initials or even your company logo!

Coming soon!: Magen David fabric masks suitable for wearing to the synagogue, when we are able to return there, or for every day to show your Jewish pride. You can get Chicken's Stylish Stars mask, along with a few others. See below!

When I send out each order, I usually write a personal note thanking you for your order and offering any help in the future. Since COVID19 has hit, every note says "Be well. Stay safe. Have a healthy, happy ..." What you can't see are the tears that I shed with each one, a prayer for everyone's health and safety, that we will all come out of this to enjoy many happy seasons together.

Be well. Be safe. Shelter in place. And wear your mask!
