

# The income that never dries up

With massive layoffs and business shutdowns over recent weeks, millions of people are wondering how they are going to pay the bills. It helps to know that one is not alone in answering that question. God is with you!

God has amazing ways of meeting human needs. What the human mind cannot figure out, the divine Mind can make work out.

God is an all-knowing, all-wise Mind that has a solution to every problem we face.

When we stay prayerfully in-tune to the divine Mind, and listen for divine direction, spiritual ideas come that lead to actions and experiences that translate into human needs met, and often in ways we never would have foreseen on our own.

Mary Baker Eddy wrote,

**“God gives you His spiritual ideas, and in turn, they give you daily supplies. Never ask for tomorrow: it is enough that divine Love is an ever-present help; and if you wait, never doubting, you will have all you need every moment”** (*Misc. Writings, p. 307*).

You have divine income. It’s coming abundantly in your direction this moment! Stay in an attitude of gratitude and you will hear what you need to know to get the bills paid.

The best income of all is what you receive from God. It never dries up, and it’s sufficient to meet the need of the moment.
