

Please review the following important notices:

- Please read the following information carefully as it contains important information that you will need to know regarding camp this summer.
- **COVID-19 TESTING CLARIFICATION:**
Every camper, staff member, and administration member must either provide proof of COVID-19 antibodies, or a negative corona test before he can come to camp. When campers without antibodies take their covid test, they must remain isolated from the time of the test until the time they come to camp.
To be clear, boys who test positive for antibodies do not need to test for COVID-19.
- Our medical authorities have instructed us that we must retest boys without antibodies for COVID-19 in camp upon arrival. **THIS IS IN ADDITION TO TESTING FIRST AT HOME - YOU MUST STILL TEST AT HOME FIRST!** The cost for this retest is \$35 and will be billed to your account. **CAUTION:** If a camper tests positive for coronavirus and has arrived on a bus or in a carpool, all the boys who came up with him will need to be sent home!
- The deadline for ordering Camp Bonim t-shirts with free delivery to camp is Tuesday, June 23rd! Please be careful when ordering to get the right shirt; Coming out of Grades 8+ order Mesivta Shirts. Waiters, lifeguards, office staff etc can order Mesivta Staff. Be careful to order youth sizes or adult sizes appropriately as needed.
- When sending packages to camp this year, please avoid sending cases of drinks. There is not enough space in our mailroom to accommodate them. Cases of water will be available in the canteen.
- The updated [Camp Bonim Handbook](#) is now posted and available for download. Please read it for information regarding camper communications, canteen accounts, packing lists, and more!
