Church Reopens!

Our church will be reopening for “new normal” services and activities on June 14th. We will have Bible study (Each adult class can decide if it's comfortable meeting and if so, how it will meet. Youth classes will meet.), morning worship, evening worship and singing. We will still practice social distancing with no hugging or handshakes. Anyone over 65 or those with underlying health issues who feels uncomfortable returning to church just yet, please feel free to continue staying home. There will be no Wednesday services during the summer.
