Good evening,

Tomorrow morning we plan to have in person services starting at 10:30am singing and prayer. Please pray for us.

We plan to go live tomorrow. Sometime after we finish our prayer request, we will go live close to 11 am, this could be a little sooner or later than 11. It depends on how long it takes for us to go through our prayer request. When we go live, we will sing one more song and go directly to the sermon.

We are so excited to assemble again in the name of our Lord Jesus Christ! [OBJ:OBJ]
